As part of its Board University leadership training, the Nonprofit Chamber of Service will host several sessions aimed at re-energizing Wichita's nonprofit boards of directors.

The training, "Building Community Engagement" will be from 8 a.m.-3 p.m. on Jan. 30 at the **Wichita Marriott Hotel**, 9100 Corporate Hills Drive.

"It will help re-energize efforts on your organizations' behalf within the community and renew their commitment to your mission," says Perry Schuckman, executive director of **Nonprofit Chamber of Services**.

Included in the training are three breakout sessions and a general lunch session, which will include keynote speaker Julia McBride.

McBride specializes in coaching nonprofit executives, volunteer leaders and entrepreneurs.
