

Development Manager

Our client, **the Mid America Chapter of the National Multiple Sclerosis Society** (www.nationalmssociety.org) is dedicated to serving more than 8,000 individuals living with the daily challenges of multiple sclerosis across 159 counties in Kansas and western Missouri.

They are looking for an organized, energetic, creative **Development Manager** for their **Wichita Office**. This is a one person development department with support provided from the Mid America Chapter in Kansas City and the national office.

They offer a 35 hour work week along with generous paid days off, plus medical/dental insurance, short/long term disability and life insurance.

The Role...

The **Development Manager** reports to the Director of Development (out of the Kansas City office) and is responsible for the following:

- Managing the logistical planning and execution of large events - **Walk MS and Bike MS**
- Executing marketing and public relations campaigns to raise awareness
- Developing relationships with corporate donors and selling annual event sponsorships
- Creating promotional pieces for print and radio campaigns
- Representing the Society at community events, corporate meetings and trade shows

Requirements...

- Bachelor's degree and demonstrated progressive work experience with event planning, fundraising and program development.
- Previous non profit experience highly preferred.
- Strong organizational, planning and problem solving skills required.

OMNI Employment Management Services, LLC has been engaged to assist the National Multiple Sclerosis Society in this search. No outside recruiters please.
